

## **The Chairman came to visit us**

**On 20 July 2005 Mr Mourad Cherif, the Chairman of the OCP group, came together with several managers to visit our business premises.**

**At the end of the visit Mr Cherif congratulated the whole staff and encouraged people to use every effort to make all OCP's projects come true as regards engineering.**

**We introduced him the company by highlighting:**

- SMESI's History
- Our activities and knowledge
- Our staff and materials
- Our main achievements (2004-2005)
- 
- Our current significant projects
- Our financial evolution between 2000 and 2005 and the estimated closing for 2005
  - SMQ set up
  - Design office certification
  - Training for our staff and knowledge transfer
  - Partnership reinforcement with famous international companies
  - Reorganization of the social aspect for interim employees

**Afterwards several demonstrations with new computer tools bought by our company in the design and drawing fields were made in order to introduce our work station.**
